RADIO PERSONALITY / DJ / CONTENT CREATOR

## HELLO! I'm Joel...

My friends will all laugh and tell you flat out... I'm *not* the brightest bulb. Far from it. I was once given a history quiz on air. The question - "*Who invented the first car?*" My response - "*Lewis and Clark*". Hey - it was the first thing that popped into my mind... what can I say? I use my crass to my advantage. That's who I am and I keep it real. At the end of the day, I'm just an honest guy with a lot to say.

Born and raised in Emmaus, PA... I'm the only child of two music fanatics who from a young age shaped my love of melody and lyric. For me, it's *always* been about the music.

Off the air, you'll probably find me at home... coffee (*or maybe beer*) in hand enjoying my extensive vinyl collection. Sorry neighbors... but I do like it LOUD! I can also be found at the Bar with friends, talking maybe a little too loud but definitely laughing about something!

Ultimately, I'm a young dude who got really lucky and fell into the best job in the world. Talking with people and sparking an honest, raw connection... it's all a dream come true!
